# PLANT WORKSHOPS

- **PLANTING 101 WORKSHOP | \$30.00/pp**

In this hands-on workshop you will get to pot up your own plant(s) all while about learning the ins & outs of planting & plant care. We will help choose the right kind of plant for your space and your personality! You'll learn everything you need to know about caring for (light, water, fertilizing) your new plant arrangement as well as how to propagate and transplant.

- *This workshop includes instruction & planting materials only.*

*\*\*\*Container & plants are at additional cost at the end of the workshop*

- **KOKEDAMA WORKSHOP | \$50.00/pp**

Our version of the art of Kokedama! Ever wondered how we create our beautiful moss ball plants? Get to learn hands-on how we make them and get creative! With a side of kokedama plant care and what to do when it out grows the moss ball.

- *This workshop includes a 4" plant, all materials + instruction*

- **TERRARIUM WORKSHOP | \$60.00/pp**

I Create your own mini landscape in a terrarium bowl! Learn the steps to arranging plants to create a small landscape for your home and how to take care of your creation. Choose from succulents/cacti or tropicals.

- *This workshop includes 3 plants, instruction & materials needed to create a medium sized glass terrarium.*

- **PLANT CARE or PROPAGATION WORKSHOP | \$30.00/pp**

Not all plants are created equal! Learn the basics on how to take care of your houseplants in our Plant Care 101 workshop. Troubleshooting sick plants and some tips on how to make your houseplants thrive. Or let's make more plants with PLANTS! Learn the basics of propagating your houseplants! The techniques, the growing mediums and the many different plant varieties.

- *This workshop is strictly educational. You may bring your own plants (max 3) for us to troubleshoot or for you to propagate.*

- **PRESERVED MOSS WALL ART WORKSHOP | \$80.00/pp**

Let's get creative, with this no care plant'y project! Build your own totally unique green landscape art with care free preserved moss, rocks, sticks and bark. Set or hang your finished project anywhere. - This workshop includes all materials & instruction needed to create moss wall art. (Approx 1 - 1.5 hours)

# FLORAL WORKSHOPS

- **SEASONAL FLORAL ARRANGEMENT | \$95.00/pp**

Come play with in season flowers! Whether you have a garden full of flowers or just prefer to enjoy them in your home but want to learn how to arrange them like a pro! Learn how to create your own vase arrangement using our favorite in season flowers, filler flowers & greenery.

- *This workshop includes all supplies, materials, flowers and instruction*

- **MODERN DRIED HALF WREATH | \$125.00/pp**

Learn how to create a stunning everlasting half wreath made on a gold hoop, using a wide variety of dried/bleached greenery, pampas grass and flowers. These make the perfect addition to your decor! In this crafty workshop your creativity has no limits!

- *This workshops includes all supplies, materials, flowers and instruction*

- **FLOWER CROWN | \$75.00/pp**

Create your own Flower Crown fit for the queen you are! In this fun workshop, you will get to create your own wearable flower crown using a variety of greenery & fresh seasonal flowers. Learn the process and tips to this super fun diy. Ask us about using dried/preserved florals instead!

- *This workshops includes all supplies, materials, flowers and instruction*
